

## Ongoing and Upcoming Planned Outages Report

**COVID-19 Planned Outage Update:** Vector is dealing with a rapidly changing situation and have been assessing all planned works for the upcoming four weeks. We are in the process of postponing or cancelling all non-essential planned work.

The tables below summarises today's and upcoming planned outages which are updated daily. You may need to clear your browsing history to view the most up to date version of this table.

The reference number below for your suburb can be found on your email or letter; please email us if you did not receive any notification at [info@vector.co.nz](mailto:info@vector.co.nz)

Please go to our home page to read our latest update on planned outages.
