

**Gas Distribution Information Disclosure Determination 2012, section 2.4.12  
Prescribed Terms and Conditions of Modified Non-Standard Prescribed Contracts  
Vector Limited for the Disclosure Year ending 30 June 2023**

Template non-standard contracts as have been modified during the disclosure year

2.4.17 (1)	2.4.17 (2)	Prescribed term (a)	Prescribed term (b)	Prescribed term (c)ii	Prescribed term (c)iii	Prescribed term (c)iv
The maximum hourly amount of gas (in gigajoules) to be conveyed to the consumer under the contract, or (if the amount is not quantified in the contract) a reasonable estimate of that amount based on the duration of the contract;	The pressure or pressures at which the gas is to be supplied or conveyed under that contract, or (if the pressure is not specified in the contract) a reasonable estimate of that pressure	Describe the goods or services to be supplied under the contract	Describe the quantity or amount of these services	Specify, determine, or provide for the determination of the timing of payment for those goods or services	Specify, determine, or provide for the determination of the security for payment for those goods or services	Specify, determine, or provide for the determination of the GDB's obligations and responsibilities (if any) to consumers in the event that the supply of gas pipeline services to consumers is interrupted
<b>Contracted: Maximum Hourly amount of gas GJ</b>	<b>Pressure kPa</b>	<b>Distribution of Gas from a specified Receipt Point to a specified Delivery Point for a specific End User</b>	<b>Contract has specified an Nominated Annual Quantity in GJ</b>			
1,500	400	The Distributor will provide the Core Services and any agreed Value Added Services.	115,864	Later of the 20th of the month the Invoice is issued or 10 Business days after the Receipt of the Invoice.	Either hold a Credit Rating of at least BBB- (S&P or equivalent); or a cash bond; or unconditional payment guarantee; or unconditional third party payment guarantee; or security bond for 1/6 <sup>th</sup> of the previous 12 months' charges.	Module 5 Part2 & Part3 – The Distributor will, within 5 minutes of first becoming aware of an Area Network Fault, communicate as much of the following information as possible to the Retailer: – That there has been a fault; – A general description of the area affected; – The cause of the fault; – The expected time of restoration of supply; and – Whether to stop logging calls. The Distributor will, within 5 minutes of new information becoming available and at intervals no longer than 30 minutes, until a firm restoration time has been advised, provide the Retailer with an update on the status of the fault. Where the expected restoration time is likely to be exceeded, the Distributor will inform the Retailer of a new expected restoration time. This will be done not less than 10 minutes before the existing restoration time elapses. The Distributor will supply the Retailer, within 5 minutes of a full or partial restoration of supply.
350	35	Core Services include: • Maintain a connection to the relevant Transmission System at each Injection Point; • Make the Network available for the conveyance of Energy from the Injection Points to the Points of Connection;	45,000			
750	200	• Maintain and operate the network in accordance with Good Industry Practice;	93,770			
250	400	• Allow End-Consumers' Equipment and the Retailer's Equipment to be connected and disconnected from the Network in accordance with the Agreement;	20,000			
726	550	• Determine and publish Losses and Loss Factors annually providing the Distributor has all the relevant consumption data from at least 90% of all Points of Connection on the relevant consumption data from at least 90% of all Points of Connection and the relevant network; and	66,109			
1,218	550	Comply with obligations, and retain the rights, of the Distributor in the Quality of Supply.	121,095			
2,825 scm	400		127,414			
525 scm	400		59,886			
5,000	1,900		1,260,963			
3,125 scm	300		500,000			

**'Non-template' non-standard contracts as have been modified during the disclosure year**

<b>Gas Distribution Information Disclosure Determination 2012, section 2.4.12</b> <b>Prescribed Terms and Conditions of Modified Non-Standard Prescribed Contracts</b> <b>Vector Limited for the Disclosure Year ending 30 June 2024</b>	
<b>Modified non-standard Agreement</b>	
<b>Prescribed term (a)</b> Describe the goods or services to be supplied under the contract	The Distributor will: <ul style="list-style-type: none"> <li>• Make the Network available for the conveyance of gas to the Point of Connection;</li> <li>• Maintain and operate the Network; and</li> <li>• Provide any other services agreed by the parties in writing, (together, the "Network Services".</li> </ul> In providing the Network Services the Distributor will comply with Good Industry Practice.
<b>Prescribed term (b)</b> Describe the quantity or amount of these services	Contract has specified an Annual Nominated Quantity in GJ (included for information purposes only): Nominated Annual Quantity (NAQ) is recorded as 181,236 GJ per year.
<b>Prescribed term (c)ii</b> Specify, determine, or provide for the determination of the timing of payment for those goods or services	The settlement date is the 20th day of the month, or if the 20th day of the month is not a working day, the first working day after the 20th day.
<b>Prescribed term (c)iii</b> Specify, determine, or provide for the determination of the security for payment for those goods or services	The Customer agrees that it will procure a guarantor to guarantee payment of the Charges on the terms of a guarantee in a form acceptable to the Distributor.
<b>Prescribed term (c)iv</b> Specify, determine, or provide for the determination of the GDB's obligations and responsibilities (if any) to consumers in the event that the supply of gas lines services to consumers is interrupted.	The Distributor will provide a 24-hour help desk, general enquiries and fault reporting service to the Customer on a phone number provided by Vector from time to time. Faults and General Enquiries: ph 0508 VECTOR (0508 832 867) Gas Emergency: ph 0800 764 764  Where the Distributor plans to undertake planned maintenance on the Network that requires an interruption to the supply of gas to any Point of Connection, the Distributor will use reasonable endeavours to notify the Customer so that the Customer will receive reasonable notice prior to the interruption.
<b>2.4.17 (1)</b> - The maximum hourly amount of gas (in gigajoules) to be conveyed to the consumer under the contract, or (if the amount is not quantified in the contract) a reasonable estimate of that amount based on the duration of the contract;	1,828 GJ
<b>2.4.17 (2)</b> - The pressure or pressures at which the gas is to be supplied or conveyed under that contract, or (if the pressure is not specified in the contract) a reasonable estimate of that pressure.	330 kPA
