

Gas Transmission Information Disclosure Determination 2012, section 2.4.12 Prescribed Terms and Conditions of Non-Standard Prescribed Contracts for Vector Gas Limited for the Disclosure Year ending 30 June 2014
A copy of the standard Transmission Services Agreement, which incorporates the Vector Transmission Code is available on <http://vector.co.nz/disclosures/gas/prescribed-terms-and-conditions-of-contracts>

1. New non-standard Agreement – Contract Identifier 201410:1

<p>Prescribed term (a) Describe the goods or services to be supplied under the contract</p>	<p>Vector shall provide, and the Shipper shall accept the provision of, transmission services for a specific End-user on the Transmission System on a 24 Hours per Day, 7 Days per Week basis</p>
<p>Prescribed term (b) Determine, or provide the determination of the quantity or amount of those goods or services</p>	<p>"Interruptible Capacity or IC means, in respect of a Day, the maximum GJ of Gas which Vector is required to receive at the Receipt Point and the equivalent GJ of Gas that Vector is required to make available to the Shipper to take at the Delivery Point under this Agreement, as set out in the Acceptance Notices for that Day but subject always to, and as reduced by, any Interruptions and to the terms of this Agreement;"</p> <p>Offtake Quantity "7.6 The Offtake Quantity (GJ) on a Day under this Agreement shall be equal to the greater of: (a) DQ - SC; and (b) zero, where: DQ = the quantity of Gas (GJ) taken by the Shipper at the Delivery Point for supply to the End-user on that Day, being the quantity determined in accordance with either section 6.5(a) or section 6.5(b) of the Code; and SC = the Shipper's aggregate Supplementary Capacity (if any) for that Day"</p>
<p>Prescribed term (c) (i) Specify, determine, or provide for the determination of the price at which those goods or services are to be supplied</p>	<p>Not Applicable, as per 2.4.12 (2)</p>

<p>Prescribed term (c) (ii) Specify, determine, or provide for the determination of the timing of payment for those goods or services</p>	<p>Section 16.14 of the Vector Transmission Code: "Payment by the Shipper"</p>
<p>Prescribed term (c) (iii) Specify, determine, or provide for the determination of the security for payment for those goods or services</p>	<p>Section 14.2 - 14.6 of the Vector Transmission Code: "Prudential Requirements"</p>
<p>Prescribed term (c) (iv) Specify, determine, or provide for the determination of the GTB's obligations and responsibilities (if any) to consumers in the event that the supply of gas transmission services to consumers is interrupted</p>	<p>"Vector shall notify the End-user directly of each Interruption, as soon as is reasonably practicable following Vector's determination of such, and issue the End-user with an instruction to reduce or terminate its offtake of Gas, specifying those matters set out in clause 8.4 (an Interruption Notice).</p> <p>"8.4 Each Interruption Notice shall specify: (a) the Day or Days covered by the Interruption Notice; (b) the reduced amount of Interruptible Capacity (if any) for each such Day; (c) the time at which the Interruption shall start (Interruption Start Time); and (d) the time at which the Interruption shall end."</p>
<p>section 2.4.17 (1) The maximum monthly amount of gas (in gigajoules) to be conveyed to the consumer under the contract, or (if the amount is not quantified in the contract) a reasonable estimate of that amount based on the duration of the contract</p>	<p>Maximum Monthly Quantity = 380,000GJ (estimated)</p>
<p>section 2.4.17 (2) The month in which the supply of the maximum monthly amount of gas referred to in subclause 2.4.17(1) of this section is to occur, or is most likely to occur</p>	<p>September</p>
<p>section 2.4.17 (3) The pressure or pressures at which the gas is to be supplied or conveyed under that contract, or (if the pressure is not specified in the contract) a reasonable estimate of that pressure</p>	<p>48 bar gauge (estimated)</p>

2. New non-standard Agreement – Contract Identifier 201410:2	
Prescribed term (a) Describe the goods or services to be supplied under the contract	Vector shall provide, and the Shipper shall accept the provision of, transmission services for a specific End-user on the Transmission System on a 24 Hours per Day, 7 Days per Week basis
Prescribed term (b) Determine, or provide the determination of the quantity or amount of those goods or services	"1.1 Delivery Quantity means the quantity of Gas (GJ) taken by a Shipper at the Delivery Point for supply to the End-user, as determined in accordance with section 6.5 (a) or section 6.5 (b) of the Code" "3.1 The Maximum Daily Quantity shall be 45,000GJ"
Prescribed term (c) (i) Specify, determine, or provide for the determination of the price at which those goods or services are to be supplied	Not Applicable, as per 2.4.12 (2)
Prescribed term (c) (ii) Specify, determine, or provide for the determination of the timing of payment for those goods or services	Section 16.14 of the Vector Transmission Code: "Payment by the Shipper"
Prescribed term (c) (iii) Specify, determine, or provide for the determination of the security for payment for those goods or services	Section 14.2 - 14.6 of the Vector Transmission Code: "Prudential Requirements"
Prescribed term (c) (iv) Specify, determine, or provide for the determination of the GTB's obligations and responsibilities (if any) to consumers in the event that the supply of gas transmission services to consumers is interrupted	"Section 10.1, (f), (g) and (j) of the Vector Transmission Code: Curtailment and Shutdown Section 10.4 of the Vector Transmission Code: Rebate of Charges"
section 2.4.17 (1) The maximum monthly amount of gas (in gigajoules) to be conveyed to the consumer under the contract, or (if the amount is not quantified in the contract) a reasonable estimate of that amount based on the duration of the contract	Maximum Monthly Quantity = 1,395,000GJ (estimated)
section 2.4.17 (2) The month in which the supply of the maximum monthly amount of gas referred to in subclause 2.4.17(1) of this section is to occur, or is most likely to occur	March

section 2.4.17 (3) The pressure or pressures at which the gas is to be supplied or conveyed under that contract, or (if the pressure is not specified in the contract) a reasonable estimate of that pressure	48 bar gauge (estimated)

3. New non-standard Agreement – Contract Identifier 201410:3	
Prescribed term (a) Describe the goods or services to be supplied under the contract	Vector shall provide, and the Shipper shall accept the provision of, transmission services for a specific End-user on the Transmission System on a 24 Hours per Day, 7 Days per Week basis
Prescribed term (b) Determine, or provide the determination of the quantity or amount of those goods or services	<p>“Interruptible Capacity or IC means, in respect of a Day, the maximum GJ of Gas which Vector is required to receive at the Receipt Point and the equivalent GJ of Gas that Vector is required to make available to the Shipper to take at the Delivery Point under this Agreement, as set out in the Acceptance Notices for that Day but subject always to, and as reduced by, any Interruptions and to the terms of this Agreement;”</p> <p>Offtake Quantity “7.6 The Offtake Quantity (GJ) on a Day under this Agreement shall be equal to the greater of: (a) DQ - SC; and (b) zero, where: DQ = the quantity of Gas (GJ) taken by the Shipper at the Delivery Point for supply to the End-user on that Day, being the quantity determined in accordance with either section 6.5(a) or section 6.5(b) of the Code; and SC = the Shipper’s aggregate Supplementary Capacity (if any) for that Day.”</p>
Prescribed term (c) (i) Specify, determine, or provide for the determination of the price at which those goods or services are to be supplied	Not Applicable, as per 2.4.12 (2)
Prescribed term (c) (ii) Specify, determine, or provide for the determination of the timing of payment for those goods or services	Section 16.14 of the Vector Transmission Code: "Payment by the Shipper"
Prescribed term (c) (iii) Specify, determine, or provide for the determination of the security for payment for those goods or services	Section 14.2 - 14.6 of the Vector Transmission Code: "Prudential Requirements"

<p>Prescribed term (c) (iv) Specify, determine, or provide for the determination of the GTB's obligations and responsibilities (if any) to consumers in the event that the supply of gas transmission services to consumers is interrupted</p>	<p>"Vector shall notify the End-user directly of each Interruption, as soon as is reasonably practicable following Vector's determination of such, and issue the End-user with an instruction to reduce or terminate its offtake of Gas, specifying those matters set out in clause 8.4 (an Interruption Notice)."</p> <p>"8.4 Each Interruption Notice shall specify: (a) the Day or Days covered by the Interruption Notice; (b) the reduced amount of Interruptible Capacity (if any) for each such Day; (c) the time at which the Interruption shall start (Interruption Start Time); and (d) the time at which the Interruption shall end."</p>
<p>section 2.4.17 (1) The maximum monthly amount of gas (in gigajoules) to be conveyed to the consumer under the contract, or (if the amount is not quantified in the contract) a reasonable estimate of that amount based on the duration of the contract</p>	<p>Maximum Monthly Quantity = 1,000GJ (estimated)</p>
<p>section 2.4.17 (2) The month in which the supply of the maximum monthly amount of gas referred to in subclause 2.4.17(1) of this section is to occur, or is most likely to occur</p>	<p>September</p>
<p>section 2.4.17 (3) The pressure or pressures at which the gas is to be supplied or conveyed under that contract, or (if the pressure is not specified in the contract) a reasonable estimate of that pressure</p>	<p>70 bar gauge (estimated)</p>

4. New non-standard Agreement – Contract Identifier 201410:4

<p>Prescribed term (a) Describe the goods or services to be supplied under the contract</p>	<p>Vector shall provide, and the Shipper shall accept the provision of, transmission services for a specific End-user on the Transmission System on a 24 Hours per Day, 7 Days per Week basis</p>
