

IS YOUR HOME SAFE?

Home Safety Inspection

Take this home and do your own electrical safety inspection with an adult. If you find any hazards, tick 'needs fixing' and ask an adult to have them fixed.

LOOK OUT FOR:	NONE	NEEDS FIXING	FIXED
A fire extinguisher in the home	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Power cords under rugs or furniture legs	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Electric heaters too close to furniture	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
People carrying appliances by the handle not the cord	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
People digging without having called the Dial Before U Dig service	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
