Dear Andrew

**Submission on Special Allocation – Greater Auckland
Gas Gate UFG**

1. Vector Limited ("Vector") welcomes the opportunity to make a submission on the Gas Industry Company's ("GIC") consultation on the merits of directing special allocations for the consumption periods May 2012, June 2012 and July 2012. The special allocations are intended to rectify an Unaccounted-for-Gas ("UFG") issue at the Greater Auckland Gas Gate created by the application of inaccurate SADSVs at the final allocation.
2. Vector does not have any objection to the GIC directing special allocations to address the above UFG issue and using a new SADSV.
3. This submission is not confidential and we are happy for it to be made publicly available.
4. Vector's contact person for this submission is:
