**Submission on the Commerce Commission's Proposal  
on Contact Energy's AGS Pipeline**

1. Vector Limited ("Vector") welcomes the opportunity to make this submission on the Commerce Commission's proposal to include the AGS Pipeline in Schedule 6 of the Commerce Act 1986 ("the Act"). This would exempt this pipeline from price-quality regulation and information disclosure requirements under Part 4 of the Act.
2. Vector supports the Commerce Commission's proposal. We agree with the Commission's assessment that Contact Energy, the AGS Pipeline's owner, does not have a substantial degree of market power in the relevant markets defined by the Commission.
3. No part of this submission is confidential and Vector is happy for it to be made publicly available.
4. Vector's contact person for this submission is:
